- Graduands come onto the stage one by one, as their names are announced by the presenter. It's customary for each graduand to be applauded as they mount the stage.
- If they wish, graduands may curtsy or bow – and doctoral graduands may tip their hats – at the top of the stairs. Graduands then move forward to the Presiding Officer to shake their hand and collect their certificate. At this point they are formally admitted to their degree and become a graduate of the University of Leeds.
