Making phone calls

To dial the telephone number from outside the UK first dial your international access code (check with your telephone provider if you are unsure of this), then 44, and then the remainder of the number except for the zero shown in brackets.

Room rates

Please note that for most hotels the room rates drop over the weekend, offering special weekend packages etc. The prices shown on this leaflet may change depending on a variety of factors, including season, advance vs. late bookings etc.
