◀ Back

### Where do you plan to study?

You can change this later if you need to.

**University or college**  
For example: King's College London.

University Of Leeds  
Leeds Arts University  
Leeds Beckett University  
Leeds Trinity University

Progress bar: 1. About you, 2. Previous study, 3. Course and fees, 4. Living costs, 5. Financial info, 6. Additional info, 7. Submit

### What course will you study at University Of Leeds?

You can change this later if you need to.

**Course title or UCAS course code**  
For example: Mathematics Msc

36 courses found

**English Literature (INT)**  
4 years Bachelor Degree with Honours  
Placement (year3)

**English Language and Literature (INT)**  
4 years Bachelor Degree with Honours  
Placement (year3)

**English and Comparative Literature (Int)**  
4 years Bachelor Degree with Honours  
Placement (year3)

Enter University of Leeds, as you will still be a registered student at Leeds. Do not enter the host university - if you do this SFE will think you have left Leeds and started another course elsewhere.

Change your course title to the (INT) version if you're going abroad in any year except your final year - i.e. you're coming back to Leeds for another year of study after your abroad year.

Change your course title to the (INT) (inverted) version if you're going abroad in your final year - i.e. the abroad year will be your final year of study and you'll be graduating after this.

If your course already includes a compulsory year abroad (e.g. language courses) you won't need to change your course title.

[Back](#)

### Did you attend this course last year?

Yes, I attended this course last year

No, I didn't attend this course last year

[Continue](#)

If you're transferring onto an (INT) (inverted) course and going into year 4 in 22/23, but you are on the final year of a 3 year course in 21/22 (so ticking 'No'), you might find that you can't submit an online application and you will need to complete a paper application (PR1).  
See:

<https://www.gov.uk/government/publications/student-finance-application-forms-and-notes-for-continuing-2022-to-2023-full-time-students>

If you're on an (INT) course, tick 'No' as you'll be transferring onto the course this year and were on a different course last year.

If you're on an (INT) (inverted) course, tick 'Yes' if you transferred onto this course last year, or 'No' if you're transferring onto it this year and were on a different course last year.

If you're already on a course with a compulsory year abroad, tick 'Yes' as you will have been on the same course last year.

If you're on a Term Abroad, tick 'University or college' for all 3 terms. The University will update SFE during the year with your term abroad details so you can be assessed for the abroad rate in Term 3.

Tick **STUDY ABROAD** for all 3 terms.  
**Do not** tick *University or college*.  
 If you do this SFE will think you are studying at Leeds.

If you get a message asking you to *upload evidence of your study abroad year*, you can ignore this. You don't need to send any evidence to SFE and the University will do this in June. Your loan application will still be assessed by SFE.

### Have you been accepted onto the Turing Scheme or the Erasmus+ exchange programme?

Erasmus is a programme run by the European Commission which gives students the opportunity to study or work abroad as part of their degree. The Turing Scheme replaces funding that was previously awarded under the Erasmus+ Scheme.

- Yes, I have been accepted onto the Turing Scheme or Erasmus+ exchange programme
- No, I have not been accepted onto the Turing Scheme or Erasmus+ exchange programme

Continue

Tick 'No' to this.

Turing Scheme funding will be allocated later in the year and the University will update SFE if you have been accepted on the Turing Scheme.

The Erasmus+ programme is no longer operating.

### Will you be charged £1,385 for your tuition fees?

University Of Leeds told us your course normally costs **£1,385**.

When your tuition fee is confirmed by University Of Leeds, your Tuition Fee Loan may need to be adjusted.

- Yes, this is the correct tuition fee
- No, I'm being charged a different tuition fee

Continue

NB: This is the tuition fee for UK students whose fee for a year studying at Leeds is £9,250.

If you have already applied for your loan, but for the 3 year course, or you find that SFE has rolled forward your 3 year course into 22/23, you can update your online application with your new course details.

See the SFE YouTube video on the link below for how to do this:
