

HOW TO APPLY FOR YOUR STUDENT LOAN – STUDY ABROAD

Enter University of Leeds, as you will still be a registered student at Leeds. Do not enter the host university – if you do this SFE will think you have left Leeds and started another course elsewhere.

Change your course title to the *(INT)* version if you're going abroad in any year except your final year – i.e. you're coming back to Leeds for another year of study after your abroad year.

Change your course title to the *(INT) (inverted)* version if you're going abroad in your final year – i.e. the abroad year will be your final year of study and you'll be graduating after this.

If you're transferring onto an (INT) (inverted) course and going into year 4 in 24/25, but you are showing as being on the final year of a 3 year course in 23/24 (so ticking 'No'), you might find that you can't submit an online application and you will need to complete a paper application (PR1). See: <https://www.gov.uk/government/publications/student-finance-application-forms-and-notes-for-continuing-2024-to-2025-full-time-students>

If you're on an (INT) course, tick 'No' as you'll be transferring onto the course this year and were on a different course last year.

If you're on an (INT) (inverted) course, tick 'Yes' if you transferred onto this course last year, or 'No' if you're transferring onto it this year and were on a different course last year.

If you're already on a course with a compulsory year abroad, tick 'Yes' as you will have been on the same course last year.

Where will you spend the most time during the academic year?

If you're studying an Initial Teacher Training course, you should select 'University or college' for any time you'll spend in teaching practice.

You must tell us if where you'll spend most of your time changes. This is so we can make sure you get the right amount of student finance. You can make these changes in your online account.

Tick *STUDY ABROAD* for all 3 terms.

Do not tick *University or college*.

If you do this SFE will think you are studying at Leeds.

If you get a message asking you to *upload evidence of your study abroad year*, you can ignore this. You don't need to send any evidence to SFE and the University will do this in June. Your loan application will be assessed by SFE Study Abroad team based on the information that we send to them.

If you're on a Term Abroad, tick 'University or college' for all 3 terms.

The University will update SFE during the year with your term abroad details so you can be assessed for the abroad rate in Term 3.

Have you been accepted onto the Turing Scheme or the Erasmus+ exchange programme?

Erasmus is a programme run by the European Commission which gives students the opportunity to study or work abroad as part of their degree. The Turing Scheme replaces funding that was previously awarded under the Erasmus+ Scheme.

- Yes, I have been accepted onto the Turing Scheme or Erasmus+ exchange programme
- No, I have not been accepted onto the Turing Scheme or Erasmus+ exchange programme

Continue

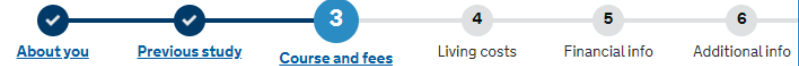

Tick 'No' to this.

Turing Scheme funding will be allocated later in the year and the University will update SFE if you have been accepted on the Turing Scheme.

The Erasmus+ programme is no longer operating.

Will you be charged £1,385 for your tuition fees?

University Of Leeds told us your course normally costs **£1,385**.

When your tuition fee is confirmed by University Of Leeds, your Tuition Fee Loan may need to be adjusted.

- Yes, this is the correct tuition fee
- No, I'm being charged a different tuition fee

Continue

NB: This is the study abroad tuition fee for UK students whose fee for a standard year studying at Leeds is £9,250.

If you have already applied for your loan, but for the 3 year course, or you find that SFE has rolled forward your 3 year course into 24/25, you can update your online application with your new course details.
See the SFE YouTube video on the link below for how to do this:
